## Silent Auction This Sunday December 4 2:00pm

Please join us at the home of Jill LeMaster, **21 Glencove in Two Creeks**. Ladies are invited to come and bring an item for the auction – either handcrafted, or something you’ve purchased – and finger foods for sharing. All proceeds from the auction will go to support our church’s mission projects. Since parking will be an issue, we’re asking you to carpool or ride **the church bus which will leave the church parking lot at 1:45**. Call the church office and let us know you’d like to ride and we’ll save a seat for you.

This year’s Christmas cantata is **“Morning Star,”** by Lloyd Larson. It will be presented by our Sanctuary Choir and narrators on **Sunday, December 11<sup>th</sup>**, during the morning worship service at 10:30 am.

Children are asked to **bring items for the Infant Resource Center** that are most frequently requested by our clients: baby lotions, baby wash, diapers (all sizes), bottles, and bibs. Parents may pick their children up at 3:00 p.m.

We're set up in the nursery reception area and ready to put the finishing touches on your gifts for your special someone's. You can choose from a variety of beautiful wrapping papers and we'll take extra care to be sure your gifts are *present-ably* impressive. See Lisa if you have any questions.

## Update of IRC 3<sup>rd</sup> Quarter Activities

Due to some unforeseen computer and life complications, this third quarter Infant Resource Center update has been long delayed! Activity for our July-September quarter was down a bit, but in a nutshell, we assisted 15 families and 16 children and expended \$2,106.92. (Some items purchased in this quarter will be carried over to the next quarter.) Items distributed for the quarter included 4 cribs and crib mattresses, 2 pack and plays and mattresses, 2 bouncy seats, 5 car seats, 1 table booster seat, 77 infant supply items (lotion, wash, wipes, bottles, etc.), 16 packages of diapers and 40 cloth goods items, such as sheets, mattress pads, blankets, and towels. Additionally, we made 6 referrals to the Simon House for clothing.

In following up on a story in the local paper regarding coordination between the Frankfort Police Department and another local agency to provide car seats, we found that the details of how that service was to be accessed by the public were a bit fuzzy. We have offered to work in coordination with the police department in these efforts and are continuing to offer car seats to those who have no other resource for them.

As always, it is your generosity that allows our Infant Resource Center to continue in its mission to help provide some of the basic infant items for children of families who face significant financial difficulties. On their behalf, thank you so much for your continued support and compassion.

Anna Mayne IBC Infant Resource Center Director

# **PARTNERS IN DEVELOPMENT**

*An ongoing mission project of  
Immanuel Baptist Church to  
share love, hope and help for Africa*

**Partners in Development** – PID's mission is to "assist rural African communities to improve their quality of life by forging partnerships to provide clean drinking water, improve primary health care, and enrich education." PID is administered by Fran and Lonnie Turner who work primarily in the southern province of Zambia among people who are some of the most desperately poor in the world today.

In 2016 Immanuel's gifts have done the following:

- 1) Opened the doors of education for over 100 students, by providing uniforms, shoes, polish, school supplies, text books, school fees and transport to boarding schools, which is six hours in the "bush".
- 2) Sanitary pads are being provided on a continued basis. Girls in rural areas miss up to 50 days of school annually, because they cannot buy pads.
- 3) Over 100 toothbrushes and tooth paste have been provided.
- 4) Six toilets constructed. One of the main reasons young girls drop out of school in developing countries is due to the lack of toilets.
- 5) T-ball programs started-in addition to our on-going basketball, volleyball, and netball programs.
- 6) Our preschool building now has solar lighting providing library and literacy opportunities at night.
- 7) Corn meal, beans, peanut butter, fresh corn, tomatoes, onions, 500 pounds of seed corn, compound D, and 9 plows provided for food security.
- 8) Thirty treadle pumps provided for women farmers along the Zambezi River. In developing countries, 43% of agricultural workers are women.
- 9) Renovation of local veterinarian clinic, which will address the public health issue of rabies and worms. Over 1,000 dogs are in the area along with many other small animals. A Dip-Yank was built next to the clinic.

## **NEEDS:**

Volunteers in June-August 2017. Partners in Development need volunteers in education, sports, construction, medical, dentistry and veterinary.

Contributions to Partners in Development can be made at any time through Immanuel Baptist Church.
